

BUILD YOUR FUTURE AS A HOUSING INSPECTOR

BC First Nations Building Inspector Certificate Program

In this 9-week, full-time course, you'll learn:

- How to inspect new and existing homes
- Building Code requirements
- WHMIS and Occupational First Aid Level 1
- Basic math, computers and writing skills

The program will provide the knowledge and skills required to work with First Nations, CMHC, and INAC to inspect new house construction and renovations on BC reserves.

To register, you must:

- have at least two years of post apprentice experience as a fully qualified tradesperson OR at least four years experience in the construction or renovation of residential buildings as a construction generalist (documented proof required) AND
- be able to communicate effectively, both in writing and in person.

When and Where?

September 20 to November 19, 2010 (Monday – Friday)
Vancouver Island University, Cowichan Campus, Duncan, BC

Cost:

- \$4,250 tuition (plus application fee/student union fees)

Start your future today!
