**Re: Band Membership Requests**

At a recent public meeting in Skidegate, a motion was made and passed regarding Band Membership Applications.

The motion is as follows:

**“That the approval process for Band Membership application decisions no longer be made by just the Skidegate Band Council, that a policy be written to include a committee of community members.”**

The Skidegate Band Council is currently in the process of setting up this new structure as requested by the membership. Consequently, any Band membership requests that are already in the Band office in Skidegate will be put on HOLD until this new committee is in place and ready to deal with the membership approval process.

Effective immediately: NO applications for Band transfers or anyone seeking support to an Indian Custom Adoptee will be accepted UNTIL this new structure is in place.

The Skidegate Band Council will inform the membership, as soon as this new structure is officially in place. The Skidegate Band Council thanks their membership for their patience, during this transitional period.

Yours truly,

Alrita Leask – IRA for Skidegate Band
