Re: Roll out of New Secure Certificate of Indian Status card Delayed

As you are aware, DIA is currently in the process of rolling out a new secure Certificate of Indian status card (which is similar to your driver's license).

I have just been informed by DIA in Vancouver that there is a delay in the roll out of this new card. The card **WILL NOT be implemented until near year end or as late as next year.**

In the meantime, if you need to renew or apply for a status card for the first time; please apply under the current process.

Yours truly,
